GENERAL INFORMATION

The rules of this show are those adopted by the American Hemerocallis Society (AHS) in the 2017 Daylily Judges Handbook. Any exceptions, where justified, are set forth in this schedule. Please note: Polymerous and Multiform cultivars are now entered with Doubles.

- Competition in the Daylily Show is open to all. Exhibits are to be brought to Brookside Gardens Visitors Center, Wheaton, Maryland.
- COME EARLY! Doors open at 7:30 am. Off-scape entries (blooms) must be given to the Placement Committee by 10 a.m. All other entries by 10:30, NONE LATER.
- All daylilies must be grown, groomed, and entered by the exhibitor, except in the Educational Division. Artificial coloring is prohibited for grooming entries. Exhibitors are solely responsible for the accuracy of their entry tags.
- Youths may enter all sections. YOUTH Section is open to youngsters up to and including those who turn 18 in 2017.
- The flower size, form, and color of a registered cultivar are determined by the registration data for that cultivar as published in the AHS Check List. Size classifications which apply are:
 - Extra Large Flower** - 7" or more in diameter
 - Large Flower** - 4 1/2" or more, but less than 7" in diameter
 - Small Flower** - 3" or more, but less than 4 1/2" in diameter
 - Miniature Flower** - less than 3" in diameter
- Spiders and Unusual Form cultivars must be registered as such and be on the AHS approved list to be entered in those Sections (6 or 7). Cultivars not on the list must be entered according to their registered size (in Sections 1, 2, 3, or 4). Polymerous are to be entered in Section 5 with Doubles. See page 8 for multi-form classification.
- Each registered cultivar constitutes a name class.
- Exhibitors may make more than one entry in each Section, provided entries are of different cultivars. Exhibitors are encouraged to enter all Sections.
- Scapes must not exceed 30" except for Seedlings. (A registered cultivar may exceed 30" provided it is displayed with the lowest branch at the top of the display container.)
- Cut all Seedling scapes as close as possible to the base. Write only the word "SEEDLING" in the "Cultivar:" name line on the entry tag. Names, numbers, or identifying marks must not be visible to the judges. A seedling that has won an AHS Rosette in any other show is not eligible.
- Standard containers for horticulture entries and show entry tags will be provided by the Staging Committee. Other containers may not be used.
- Neither the NCDC, Inc. nor Brookside Gardens will be responsible for loss or damage, but will exercise caution to protect exhibits.
- All entries must be removed between 3:00 and 3:10 p.m. on July 1, 2017. Unclaimed flowers will be destroyed. Tags and awards will be removed and returned by the Show Committee.
- Only AHS members may win AHS Rosettes and Medals, but winners may join at the show to qualify.

HOW TO FILL OUT SHOW ENTRY TAGS

Every entry must have an official AHS show entry tag. Much of the data can be filled out in advance, such as name, address (in two places), cultivar name and the classification number. **It is best to do this in advance** so that on the day of the show you can spend more time on grooming than on filling out tags.

NCDC Classification lists with the numbers for previously entered cultivars are available before and at the show. Classification can be verified with The Hemerocallis Checklist or supplements as needed. The Classification Committee will assist in determining classification numbers of registered cultivars that are not on the classification list, but **will not fill out show tags**, nor will they have much time to **identify unknown cultivars**.

Tag information should be printed clearly using pencil, or indelible blue or black ink. A small, pre-printed label or stamp may be used for the exhibitor's name and address. The field for AHS member should be filled out. A field should be left blank if it does not apply.

When the tag is complete it should be folded so that only the cultivar name and placement information is visible.

There are three Divisions: **Horticulture Division I** - Scapes; **Horticulture Division II** - Single Blooms (off-scape); and **Educational Division III**. Use the assigned Classification number for each named cultivar that you enter.

Classification numbers consist of a number/letter combination. They indicate all of the following: division, section, group, flower size, form, and color. Letters are: S for self (solid color), P for patterned (eyed, banded, etc.) and A for all colors and patterns. The chart on the next page shows the number/letter to be written on each show tag.

Put an asterisk * here if it is a cultivar eligible for the Golden Anniversary Award

Place bottle neck through hole for on-scape entries

Write classification number here (e.g. I 02P)

Write cultivar name or "SEEDLING" again

Fold tag on dotted line and tuck edge here

Write classification number again

Your name and address here again

AHS members check here"

Put your name and address here

Write registered cultivar name or the word "SEEDLING" here

The diagram shows a rectangular tag with a dotted line for folding. At the top left, there is a field for "Entry Number" with a small note "(show us only)". To the right of this is a circular hole. Below the hole is a field for an asterisk (*). The tag features the "American Hemerocallis Society" logo and name. Below the logo are fields for "Division", "Section", "Group", and "Class". A "Cultivar:" field is provided for the name. Below this is an "AHS Member" section with "Yes" and "No" options. Further down are "Name:" and "Address:" fields. A classification number grid is shown with columns for "AHS Rosette", "Purple", "1st", "2nd", "3rd", "Hon. Mention", "Special", and "Special". The bottom of the tag repeats the "American Hemerocallis Society" logo and name, followed by "Division", "Section", "Group", "Class", "Cultivar:", "Name:", and "Address:" fields.

DIVISION III: EDUCATIONAL

A daylily exhibit of an educational nature such as but not limited to the following examples:

- An exhibit of graphics or written materials which inform the public about daylilies.
- A display of blooms on- or off-scape with an accompanying explanation or labels – e.g. seedlings with their parents, a display of multiforms¹ or polymerous² that are not registered as such. Displays are not eligible to be judged in the Horticultural Divisions.

¹ **Multiform** Classification Code - Cultivars registered as multiform Double or Polymerous (e.g. Double/Unusual Form, Double/Spider, Spider/Unusual Form/Polymerous) are placed in Section 5 with the Doubles. The Double (or Polymerous) form supersedes any other form. For a Spider/Unusual Form, the Spider supersedes the UF and is entered in Section 6.

² A **Polymerous** daylily is a daylily having more than the normal three sepals (usually four or five) in the outer whorl and more than three petals (usually the same number as sepals) in the inner whorl. Unless they are registered as polymerous (or as doubles), daylilies with extra flower parts should not be entered. Daylilies registered as polymerous are now placed in Section 5 with the Doubles.

JUDGING STANDARDS

- All judging of accredited AHS shows will employ the AHS standards.
- All horticulture sections must be judged by AHS Exhibition Judges.
- Each panel of judges shall be the final authority for each class in which it judges.
- Only the Classification Chairman has the authority to disqualify any entry that is damaged or does not conform to the schedule.
- The appropriate Scale of Points will be used for (1) registered cultivars on-scape, (2) Seedlings on-scape, and (3) single blooms of registered cultivars off-scape.
- The AHS Standard System of Awards will be used for judging each name class:
 - One First (Blue), which must score 90 or above
 - One Second (Red), which must score 85 or above
 - One Third (Yellow), which must score 80 or above
- Only 1 blue, red, and yellow may be awarded in a name class.
- An AHS purple ribbon will be given to every blue award-winning entry scoring 95 or above in Division 1, Sections 1 to 10.
- Registered cultivars will be classified, as registered, by size, form and grouped by color and pattern within each section. No distinction is to be made between the classification of diploids and tetraploids.
- Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
- Each seedling or pre-registered cultivar shall constitute a class to be judged on individual merit. Each entry may be given an award if the judges consider it a superior exhibit.

MAJOR AWARDS

- AHS Rosettes will be awarded to the following purple ribbon, on-scape exhibits provided the exhibitors are members of the AHS. In addition, engraved silver trophies will be awarded by NCDC, Inc. for the best blue ribbon winners to display for approximately one year. Winners may join the AHS at the show.
 - (1) **AHS ROSETTE** and the **ALICE ALEXANDER EXTRA LARGE FLOWER TROPHY** for the best registered extra large bloom on scape.
 - (2) **AHS ROSETTE** and **THE GEORGE CROSSMAN LARGE FLOWER TROPHY** for the best registered large bloom on scape.
 - (3) **AHS ROSETTE** and **THE BUD BENNETT SMALL FLOWER TROPHY** for the best registered small bloom on scape.
 - (4) **AHS ROSETTE** and **THE GEORGE DARROW MINIATURE TROPHY** for the best registered miniature bloom on scape.
 - (5) **AHS ROSETTE** and **THE WILLARD HILDT MEMORIAL TROPHY** for the best registered double, polymorous, or multiform bloom on scape.
 - (6) **AHS ROSETTE** and **THE MARGO REED SPIDER TROPHY** for the best registered spider bloom on scape.
 - (7) **AHS ROSETTE** and **THE COHEN-GALLOWAY UNUSUAL FORM TROPHY** for the best registered unusual form bloom on scape.
 - (8) **AHS ROSETTE** and **THE CAROL AND GREGG SAVARD YOUTH AWARD** for the best registered bloom on scape in the Youth Section.

MAJOR AWARDS, continued

9. **AHS ROSETTE** and **THE CAREY QUINN MEMORIAL TROPHY** for the Region 3 Popularity Poll for the best scape in Section 9.
 10. **AHS ROSETTE** and **THE WILLARD AND LEA KING TROPHY** for the best seedling or pre-registered cultivar scape exhibited by its hybridizer.
- **AHS BEST-IN-SHOW ROSETTE** and **THE CONSTANCE BURNS TROPHY** for the best scape from the AHS Rosette winners.
 - **AHS SWEEPSTAKES ROSETTE** and **THE PHIL AND JEAN DUMONT TROPHY** for the exhibitor winning the most blue ribbons for on-scape entries in Division 1, Sections 1 to 10. In the case of a tie, the exhibitor with the most purple ribbons is the winner. If there is still a tie, red, then yellow awards are counted as tie breakers.

SPECIAL AWARDS

- **THE OPHELIA TAYLOR HORTICULTURAL AWARD** -- An exhibitor may receive this award from the AHS only one time. If awarded, the pin(s) will be sent to the winner(s) by the AHS Exhibitions Chair. The winner(s) must score ninety-five (95) or above individually for each of the five scapes entered. The following classes will be offered: Class 1: five different registered cultivars; Class 2: five different seedlings.
- The **AHS ACHIEVEMENT MEDAL** is awarded to the originator of each Section 11 entry of 3 scapes of the same seedling which scores an average of 90 points or more by at least 2 judges of a 3 judge panel. Each of the judges on this panel will point score each scape individually without conference. Scores will NOT be official until they have been verified by the AHS Exhibitions Chair or the Exhibitions Committee.
- **AHS AWARD OF APPRECIATION** for Educational Division entries may be awarded by the Show Chairs for educational displays, exhibits, lectures, demonstrations, or outstanding service to the National Capital Daylily Club and the AHS.

NCDC AWARDS

- **THE JAN AND GREG THOMPSON BEGINNER'S LUCK TROPHY** is given by NCDC for the exhibitor who enters the NCDC flower show for the first or second time and wins the most blue ribbons for on- and off-scape entries. In the case of a tie, the exhibitor with the most purple ribbons is declared winner. If there is still a tie, red, then yellow awards are counted as tie breakers.
- **THE REGISTERED MULTI-SCAPE AWARD** is given by NCDC for the best entry in Section 12. For an entry to win a blue ribbon in either A or B. The average of all scapes together must score 90 or above. No scape entered in Section 12 is eligible to compete for an AHS Rosette.

(Awards continued on next page)

- **THE PAT COCHENOUR POLYTEPAL AWARD** is given by NCDC for the best polymerous entry in Division 1, Section 5. It must be registered as polymerous and all blooms shown must have that characteristic
- **THE GOLDEN ANNIVERSARY AWARD** is given by NCDC for the best scape entered of a cultivar registered by any NCDC member (past or present).
- **THE BEST OFF-SCAPE AWARD** is given by NCDC for the best off-scape entry in Division II, Sections 1 to 7.
- **THE OFF-SCAPE SWEEPSTAKES AWARD** is given by NCDC to the exhibitor winning the most blue ribbons for off-scape entries in Division II, Sections 1 to 7. In the case of a tie, the exhibitor with the most purple ribbons is declared winner. If there is still a tie, red, then yellow awards are counted as tie breakers.

DAYLILY NOTES

As a service to its members and to the public, each year the AHS conducts a popularity poll among its members to determine the favorite daylilies in each region. The AHS hopes that this Popularity Poll presents a true picture of which daylilies perform well in a given area and which are best liked by the members. Our Flower Show's Section 9 provides a way to see these cultivars.

Each of Region 3's top five cultivars for 2017 is eligible to compete for the **AHS Popularity Poll Rosette**. They are 1. **Rose F. Kennedy**, 2. **Webster's Pink Wonder**, 3. **Dorothy and Toto** and 3. **Screamcicle (tied)**, 5. **White Eyes Pink Dragon** –
